FOR IMMEDIATE RELEASE: 01/31/18

Local Small Business Owner Wins National Award
Southbury Woman Celebrates Being Honored by Her Supportive Clients

Southbury, CT: Charis Wipfler, APRN-FNP, has been named “*Top 25 Most Loved Injector*” in the nation, courtesy of RealSelf and Grace Medical Aesthetics’ supportive clientele. Charis Wipfler is the owner/operator and lead injector of Grace Medical Aesthetics, an anti-aging medical aesthetics practice in Southbury, CT and NYC specializing in injectable dermal fillers, wrinkle relaxers, and more. RealSelf, a social platform used for honest reviews of medical aesthetic and plastic surgery practices, hosted the “*Most Loved Injector*” contest in late October welcoming the general population to nominate the injector they trust the most with their face. After the collection of over 20,000 nation wide nominations (multiples disqualified), it was announced in mid-December that Charis had made it into the Top 5% of nominees. RealSelf’s final announcement on January 31st, 2018 came with happy news for the Grace Medical Aesthetics team when they found out their “boss babe”, Charis, had been revealed as one the Top 25 winners; the highest ranking presented by RealSelf.

On winning, Charis says “I’m so excited that I get to do what I love and be creative everyday. This award affirms that my clients love my outcomes and truly trust my eye. Thank you for all of the continued support!”

Charis Wipfler successfully built Grace Medical Aesthetics from a concierge home visit medical aesthetics service into today’s robust practice in just under 6 years. Based on Galderma (Dysport, Restylane) product use, she has grown Grace Medical Aesthetics into the #1 injectable practice in CT, NY, and New England, as well as the #7 injectable practice in the United States. What is so incredible about the “*RealSelf Top 25 Most Loved Injector*” title, though, is that the public felt so inclined to honor her in such a way. Her dedication to her client’s anti-aging goals, natural beauty, and budget has lead Charis to earn the trust of thousands.
